The basic rules will follow the [JOPT Official Rules](#).

Player Contract

1. Players who place in the top ranks will be offered a player contract (outsourcing agreement) with the Japan Poker Association as a prize. This player contract is aimed at promoting the event, and covers domestic travel expenses, participation fees for international tournaments, and travel costs, which will be borne by the Japan Poker Association as commission fees. This contract is optional, and if a player chooses to sign it, they must complete the contract procedure on the same day at the venue. For more details, please refer to the [JOPT Player Contract](#).

2. Any prizes denominated in US dollars will be awarded based on a predetermined fixed exchange rate. The actual contract amount will be applied as stated on the player contract form (including any fees). The fixed exchange rate will be determined based on the Mitsubishi UFJ Bank T.T.B. rate three days prior to the event (https://www.bk.mufg.jp/ippan/kinri/list_j/kinri/kawase.html), and the rate will be announced before the event period begins.

3. Player contracts are not transferable or shareable.

4. Player contracts can be used exclusively for domestic travel expenses, participation fees for international tournaments, and travel costs as designated by the sponsor. They cannot be used for cash games.

5. When fulfilling the player contract, please follow the procedures listed on the prize card and complete them by the end of the event day.

6. If soft play or collusion is detected, the player contract may be revoked, and ranking adjustments may be made.

7. If the player is absent when the contract is to be signed, the player contract may be deemed invalid.

8. For any further questions, please contact the Player Contract Management Office at prize@pokerjapan.jp.
